

April Hathcoat, Environmental Specialist II

ahathcoat@cherokee.org

April holds a Bachelor of Science degree in Biology from Northeastern State University in Tahlequah, Oklahoma. She joined Cherokee Nation Environmental Programs/ITEC in February 2004 and works in the Clean Air Program. She previously worked at Wiltel Communications as a technical analyst responsible for capacity management of their network. Her current duties include quality control and quality assurance of all air monitoring data, and she is responsible for uploading data into the EPA's Air Quality System (AQS). She is licensed with the State of Oklahoma as a Registered Sanitarian and a Registered Environmental Specialist, and is also a Certified Hazardous Materials Manager (CHMM).

Jacque Adam, Environmental Specialist I

jacque-adam@cherokee.org

Jacque has a Bachelor of Science degree in Environmental Management from Northeastern State University in Tahlequah, Oklahoma. She joined Cherokee Nation Environmental Programs/ITEC in June 2005 and is a part of the Clean Air Program. Her duties include site operation, maintaining spare parts inventory and performing maintenance/troubleshooting on various types of air monitoring instrumentation. She is licensed with the State of Oklahoma as a Registered Environmental Specialist In-Training.
